Chef Erin Sealy

Chef Erin specializes in pairing food with wine, with a slightly different approach than most. Prior to creating a menu, each wine is tasted and reviewed and then she creates a food pairing, highlighting the nuances of each wine. This concept creates a dinner and pairing experience with layers of complexity and unique creations which exemplify the enjoyment of each wine. With a passion for food and wine, Chef Erin delights dinner and event attendees with a detailed account of the pairing concept and cooking techniques that create each course.
